

## ONE WAFFLE TO RULE THEM ALL ONE MOLD TO COMBINE THEM

A work of passion from three young gentlemen. The flagship waffle stool “The one” alongside the mold of youth, “LEGO”. A single course, VÉL403G, bringing the most out of the young men, who are determined to change people’s perception of stools and make the world a more youthful place. The making of these two revolutionary creations took place over a period of one semester. Follow these entrepreneurs on their journey to dominance. All of the individual, as well as group contributions, are displayed on their websites in a manner that will surely captivate your attention.
